6. Each exhibitor or agent must be prepared to verify any statement contained in the certificate of Entry in any manner the committee may require
7. All exhibits must be the bona-fide property of the Exhibitor at the time of entry
8. Any objection of any sort must be made in writing and lodged with the Secretary within 1 week of the show, and is to be brought before the meeting of the show committee, except when the objection is as to the age or soundness of any animal, in which case the objection must be made in writing within 1 hour after the award of the judges and be decided (if possible) on the same day. No objection will be entertained by the committee unless a sum equal to 1 quarter of the amount claimed shall be lodged, which sum will be refunded if the objection is sustained, otherwise it will be forfeited
9. Any exhibitor interfering with or disputing the judges decision shall be liable to forfeit any prize awarded to them together with all fees and deposits paid by them and to expulsion from the show grounds
10. In cases of any violation of the Rules and Regulations of the Society, false statement in the Certificate of Entry, or any practice calculated to deceive or mislead, the Exhibitor shall forfeit their entry fees and any prize awarded to them, and shall be liable to be prevented from competing at any future show of the Society
11. The Judges are invited to assemble on the morning of the show at 10.00am precisely and to proceed to decide upon the merits of the different animals without any inquiry as to the names of the persons or places, their awards being made in reference to the numbers which distinguish the different lots
12. Each set of Judges will be attended by a Steward who will have previously obtained from the Secretary a blank form of report for the different exhibits, to be filled up and signed, with the number of the successful lots written in ink

15. No pedigree animals to be judged against non-pedigree animals

ANIMALS

Exhibitors please note that the Show Committee are exempt from all liability for damages to the person or property of Exhibitors either entering or leaving the Show Grounds whilst the show is in progress.

ALL ANIMALS MUST BE PROPERLY HANDLED AND SHOULD POSE NO DANGER TO OWNERS OR THE PUBLIC. IT IS IMPORTANT THAT ALL ANIMAL OWNERS EXHIBITING HAVE THEIR OWN PUBLIC LIABILITY INSURANCE

CATTLE

N.B Cattle must be on the Showgrounds by 12.30pm on Show day. Judging commences at 1.00pm prompt

Specific Requirements Cattle

All animals must come from herds which are officially TB free and the herd and relevant animals must have had a clear test within the previous 12 months—this test must be recorded on the Department's Animal Health Computer System. In general, apart from cows of all ages and males over the age of 36 months, no pre-movement test is required for TB. However it is recommended by the Department that a 30 day pre-movement test for TB should apply to all shows. Animals which have disclosed inconclusive reactor results are not permitted to be moved for the purpose of exhibition at shows.

From February 2023 cows of all ages and males over the age of 36 months that move from a show **to a different herd** must either have been tested in the previous 30 days or the animal and the herd presenting it to the show must have been tested in the previous 6 months prior to movement. If a cow of any age or a male over the age of 36 months moves from a show to a different herd and does not meet the above criteria then a TB test must be carried out on the animal concerned within 30 days of its movement into the new herd. If after 30 days the animal has not been tested, the herd into which it has moved will be restricted and if after a further 60 days the animal has still not been tested then the entire herd will be listed for a TB test. For further information see new bovine TB testing requirements for animal movements on www.bovinetb.ie

CHAMPIONSHIP OF THE SHOW

All 1st prize winners in the Cattle section are eligible to compete for the 'Champion of the Show' Award, The Cannon Hayes Memorial Cup

Bansha Show would like to advise exhibitors that all stock being exhibited on the show grounds are the exhibitors responsibility and must be in their control at all times.

Therefore, exhibitors should ensure that those in charge of stock are capable of handling them and they pose no danger to the exhibitor or the public.

Stock should be suitably trained and handled. Any loss or damage caused by the exhibitor will be the liability of the exhibitor or owner.

All exhibitors are required to have their own public liability insurance.

IMPORTANT NOTICE TO ALL ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Shows Association would advise all animal owners who have their animals insured to have the insurance cover extended to cover them whilst showing their animals at shows. We understand that it costs very little or nothing at all depending on who you have insurance cover with.

If you are one of the few who don't have cover, we would advise that you think about putting it in place for this purpose; it may be well worthwhile.

The reason for us giving this advice is to protect yourself in the event of your animal lashing out and injuring someone or damaging someone's property. If that were to happen and it is established that your animal was out of your control, you may be held responsible , or partly responsible for any injury or damage caused and may end up paying all or part of any settlement reached.

Message from Minister Dara Calleary TD

Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2026 Bansha Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position again this year to support the Bansha Agricultural Show for 2026. Funding of over €1 million is being provided through the Irish Shows Association to support 126 shows across the country including the show here in Bansha.

Rural Ireland is rich in heritage and in culture, and agriculture has played a central role in that. Our Agricultural Shows are a celebration of rural life, rural tradition, innovation and rural excellence. They are an occasion in the rural calendar to showcase local produce and livestock, together with artisan foods and crafts. They are an all-round great day out and I would encourage everyone to get along to their local shows this year.

This year we see an increase in the number of shows taking place across the country, again demonstrating the value communities place in these events. The meitheal and resilience evident in these shows is so encouraging as towns and villages right across the country host their local shows and the associated competitions across many different categories.

The sheer effort and determination of committees, volunteers and stewards must be acknowledged. The way in which these shows deliver great occasions for trade exhibitors, competitors and visitors is a fantastic achievement and, I as Minister for Rural and Community Development and Gaeltacht, am proud to support them.

I want to wish the Bansha show every success for the 2026 season. No doubt it will be a huge success with a host of exhibits and competitive opportunities for local livestock and produce to be viewed and recognised for its excellence.

I wish all those who compete and visit the show a very enjoyable day and continued success to those taking part in the competitions. Keep up the good work!

GENERAL RULES FOR IRISH SHOWS ASSOCIATION CHAMPIONSHIPS 2026

Eligibility of Shows to host Qualifiers:

Shows wishing to participate in the Championships and be eligible to hold qualifiers must:

Have collected the Championship Fund (currently 5%) from Horse, Pony, Cattle, Sheep & Goat class prize money for the previous year and forwarded the amount so collected, in full, to the Irish Shows Association within the stipulated period of not more than 30 days from the date of the show.

Alternative methods of meeting this obligation are not acceptable. Any show or competitor in breach of the rules set out will be disqualified from participating or competing in these Championships.

Undertake to ensure the correct collection and return of qualifier cards and entry fees.

These General Rules and those relating to individual championships (where applicable) should be published in the show schedule and catalogue of the participating shows and must be strictly observed.

For horse, pony, cattle and sheep qualifiers, qualifying rounds must be at least 10 days before the date of the final. For indoor, poultry and dog finals, qualifier rounds must be at least 7 days before the date of the final.

Responsibility of Shows holding Qualifying Rounds:

Selected Shows should hold a separate class for each qualifier from which the highest placed animals will qualify.

Shows must ensure that the qualifiers are held strictly in accordance with the relevant rules.

No other sponsor may be involved in qualifying classes.

Shows may charge a set entry fee for each qualifying class. The I.S.A. will award a rosette to the successful exhibit(s) on appearance at the final.

No show hosting a Championship Final may hold a qualifying class for that championship on the day of the final other than by agreement with the Irish Shows Association.

Shows who hold qualifiers for Horses, Ponies, Cattle, Sheep & Goats may ask exhibitors to enter the exhibit in at least one other class at their show on the day. Shows should not undertake to host a qualifier unless they have an equivalent class.

Where shows debar class winners from further competitions, this rule must not be applied to qualifiers.

Animals qualified for finals are not eligible to enter in any other show class at the show where the final is held, other than a qualifying class for another championship.

Shows should appoint competent, well-briefed people to act as stewards, who must ensure that only animals (or other exhibits) which are eligible to compete and whose documentation is in order, are allowed to proceed to the judging ring.

On completion of judging, Stewards must inform the successful competitors to visit the Secretary's Office at the show within one hour and complete the necessary paperwork and pay for entry to the final.

The show must appoint a well-briefed officer who will be available at the Secretary's Office to assist exhibitors to complete the entry cards for participation in the final and collect the entry fee.

Qualifying cards must be fully completed and the qualifying fee paid on the day of the show. Once both conditions are met, then qualifying cards may be signed by board members.

Responsibility of Exhibitors:

Exhibitors accept that the Judge's decision is final in all cases.

Any abuse of Judges will not be tolerated. Where a dispute or case for complaint arises, the matter should only be dealt with under 8 below.

Exhibitors should be familiar with the Irish Shows Association Disciplinary Policy as published on our website and annual guidebook.

Winners of Qualifiers are themselves responsible for entering their qualifiers (or exhibits) for the final in accordance with the rules above, within one hour of qualifying.

Winners of qualifiers will compete in the final.

The Irish Shows Association in conjunction with the sponsors reserve the right to alter or amend the rules of the competition as may be necessary where appropriate.

Shows and competitors must contact the ISA for details of any championships and not the sponsor involved.

Objections must be lodged in writing with the I.S.A. representative at the show and the Show Secretary within half an hour following the completion of judging, together with a fee of €50, or other stated fee, which is refundable in the event of the objection being upheld.

Any exhibitor who makes a false declaration or misrepresents a fact regarding themselves or their exhibit is liable to disqualification and/or forfeiture of any prizes awarded.

If a qualified exhibitor does not turn up to an ISA final without giving prior notice to the ISA office or to a board member, he or she will incur a financial penalty.

Responsibilities of Shows hosting Championship Finals & All-Ireland Finals:

Where shows are paying out prizes for horse, pony, cattle and sheep finals, a deduction of 5% of the prize money will be collected by the show and forwarded to the ISA within 30 days of the Final.

Championship finals must start not later than 2pm on the day of the show and the advertised time must be adhered to as far as possible. If necessary, other show classes should be either postponed or relocated to allow for this.

Shows should cooperate with ISA personnel and judges appointed to officiate at finals.

Selection of judges for All-Ireland championships should be handled by the relevant sub-committee of the board of the ISA.

EXTERNAL DISCIPLINE POLICY

The Irish Shows Association expects and will insist upon appropriate behaviour from all Exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour.

Inappropriate behaviour shall include but not be limited to the following:

A failure by any party or their representative to attend a hearing after notification shall not prevent the hearing committee from proceeding with the hearing in their absence.

All hearings shall be recorded and the Irish Shows Association shall retain the record. The hearing committee may postpone or adjourn a hearing.
