Event 22	80cm Sportsmans	Rosettes	€15

Bansha Show would like to advise exhibitors that all stock being exhibited on the show grounds are the exhibitor's responsibility and must be in their control at all times.

Therefore, exhibitors should ensure that those in charge of stock are capable of handling them and they pose no danger to the exhibitor or the public.

Stock should be suitably trained and handled. Any loss or damage caused by the exhibitor will be the liability of the exhibitor owner.

All exhibitors are required to have their own public liability insurance.

IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at Shows, we understand that it costs very little or nothing at all depending on who you have Insurance cover with.

If you are one of the few who don't have cover, we would advise that you think about putting it in place for this purpose; it may be well worthwhile.

The reason for us giving you this advice is to protect yourself in the event of your animal lashing out and injuring someone or damaging someone's property. If that were to happen and it is established that your animal was out of your control, you may be held responsible, or partly responsible for any Injury or damage caused and may end up paying all, or part of any settlement reached.
